

# ABBREVIATED CURRICULUM VITAE

## RIAAN BESTER

---

Riaan Bester obtained his N5 Draughting Diploma in 1995 and started working at consulting engineers the following year. Riaan joined ICE Boland (now Deca) in 2000 at their Ceres office. He moved to Hermanus in 2007 when ICE Boland opened a new office there. Riaan is responsible for most of the drawing and finishing work generated by the Hermanus office. Through in-house training, Riaan learnt to design civil engineering services and streets using Model Maker.
